Vendor Information

Welcome to the 2018 Country Market. This is the second year of our spring fundraiser, Country Market. We hope the day is enjoyable and rewarding for you. Please read this information and return any forms that need to be completed. Print and maintain for later reference.

Items to be sold

Crafty Creations - This will include only handmade items. Please understand that no commercial items are to be sold at the Crafty Creations. We are asking that you only display and sell items that are handmade. Food items may only include mixes or specialty items that are to be consumed at a later time.

Funky Finds – These are items that are “old to you/new to me.” These might be items that could be specifically categorized e.g. kitchen utensils, vintage clothing, glassware, books collectibles,.

Spaces

There will be indoor and outdoor spaces. Indoor spaces are limited and will be 10 ft. x 5 ft. Outdoor spaces will be 10x10. The cost is **\$25** for either space. Since indoor space is limited it will on a first come basis. Your space will be assigned and marked with your assigned number. You will need to stay within the assigned space. Our greeters will help you find your numbered space. Please ensure that a responsible person is at your booth at all times.

Displays

You must provide your own tables, chairs and display equipment. Attractive and neat displays encourage people to browse and buy. We are certain that as experienced vendors you know this to be true. If you use a canopy, please be certain that it does not exceed your space and infringe upon your neighbor’s space.

Unloading and setting up

We expect to have people to help you unload. After you have unloaded you will need to move your vehicle to a location away from the vendor area. We will allow set up on the afternoon and evening of Friday, May 4 and early morning on Saturday, May 5. Specific time for set up will be sent prior to the event. The Market will open at 9:00 a.m. and close at 2:00 pm. You are expected to stay until the end of the Market.

Inclement weather

There is no rain date. There may be limited space to move indoors and that will be decided on the day of the event.

You may display business cards or pamphlets about your craft items.
