

Association Meetings

All our members get together for three annual large group programs, offering fellowship and entertaining programs. These gatherings typically include an autumn potluck dinner, a Christmas celebration, and a June program.

Previous programs:

- October Program: Guatemalan Project of the New Castle Presbytery. The project supports the women of Guatemala, the Association of Mam and Christian Women for Development, and the Guatemala Cattle Project. We also enjoyed a time of fellowship.

- Christmas Program: "Jesus is Born, Light of the World." Bible verses were read, songs were sung, and we enjoyed the music of the DeBlokfluiters' Recorder Group, and the Handbells of the Carillon Choir. There was a time of fellowship with Christmas cookies and punch.

- June Program: "Make a Joyful Noise unto the Lord" was an uplifting program of music by the Sweet Adelines. We also installed new officers and shared a time of fellowship.
