

Circles of Fellowship and Bible Study

Once a month from September through June we meet in small Circles of 12 to 15 women. The meetings are scheduled on the 3rd Tuesday of each month.

- During sensitive times such as during the recent Covid pandemic, the Circles met in Zoom meetings or in hybrid Zoom and in-person meetings.
- Four Circles meet during the day and one evening Circle meets at 7:30 pm.
- The evening Circle is intended to be convenient for women who cannot attend daytime meetings.
- In our “Circle” meetings we
 - discuss the lessons from our current Bible study
 - pray for God’s guidance and intercession
 - share our life experiences and our faith journey
 - make plans to support our activities
- From time to time the Circles also meet for a meal and share fun activities.
- We remember our “Special Sisters” who are shut ins and can no longer be active in the organization. We stay in touch with them through phone calls and visits, and we send them cards and information about our activities.
- Every other year the Circles shuffle members so that we get to bond with other women in the organization (the evening Circle does not shuffle). The shuffle expands and strengthens the fellowship of all our members and makes us a strong organization where we all work together to accomplish our goals.

**Through the fellowship and bonds that develop in Circles,
we experience Christ’s love.**
