

# Dinanga School

Computer Center Addition-  
Construction Photos  
5-21-2022 to 5-25-2022

5-21-22 photo

Initial layout

5-21-22 photo

Foundation  
rocks on the  
right of the  
photo with the  
existing school  
in the  
background.

The addition will  
look similar.

5-21-22 photo

Foundation  
trench dug and  
rocks being  
placed.

Note bricks  
stacked in  
background.

5-21-22 photo

Foundation  
trench dug and  
rocks being  
placed.

5-21-22 photo

Foundation  
trench dug and  
rocks being  
placed.

5-21-22 photo

Foundation  
trench dug and  
rocks being  
placed.

5-21-22 photo

Mortar being  
placed between  
foundation rocks.  
Note pan for  
mortar in the  
back behind the  
bricks.

5-21-22 photo

Cement being  
stored in the  
office.

Other purchased  
cement is stored  
at a depot due to  
inadequate space  
on-site.

5-21-22 photo
